

COMBATTING THE OPIOID CRISIS IN NORTH CAROLINA

FRIDAY, MARCH 2, 2018

8:30-8:55 a.m. – REGISTRATION AND COFFEE

9 a.m.-12:30 p.m. – PROGRAM

UNC CHAPEL HILL SCHOOL OF SOCIAL WORK AUDITORIUM

Opioid overdose deaths have reached epidemic proportions. In North Carolina, unintentional drug overdose deaths have become the leading cause of death. Addiction to opioids is wreaking havoc on families and overtaxing emergency rooms and treatment facilities around the state.

Keynote Address: Dr. Susan Kansagra, Section Chief, North Carolina Department of Health and Human Services:

- Overview of demographic areas and populations most affected by the opioid epidemic
- North Carolina's Opioid Action Plan

North Carolina Harm Reduction Coalition and Community Partnerships:

- Innovative programs and strategies currently being implemented
- Law enforcement and faith communities

Panel of interprofessional behavioral health and medical providers:

- Medication Assisted (MAT) and Office Based (OBOT) treatment successes and challenges
- Health and Treatment Disparities

Attendance is free and CEUs available. Space is limited so please register early:
