

CANNABINOID USE IN 2019:

WHAT HEALTH CARE PROVIDERS NEED TO KNOW

Friday, November 1, 2019

Program, 9 a.m.-12 p.m. | Registration and light breakfast, 8:30-8:55 a.m.

FREE! | LIVE STREAMING WILL BE AVAILABLE!

This topical workshop will provide participants with up-to-date information about cannabinoid use in North Carolina and in the United States. Specific emphasis will be on medicinal use, policy guidelines and social and health implications.

Presenters include:

- Dr. Marian Newton, Shenandoah University School of Nursing
- Dr. David Newton, Shenandoah University School of Pharmacy
- FBI Chemist Hope Copeland, United States Federal Bureau of Investigation
- Dr. Cheryl Giscombe, UNC School of Nursing, Moderator

The workshop is sponsored by UNC-PrimeCare and UNC-PrimeCare — OUD, HRSA-funded projects at the UNC School of Social Work in collaboration with the UNC School of Nursing. Academic partners include UNC Schools of Medicine, Pharmacy, Dentistry, and UNC Hospital.

Attendance is free and CEs offered.

REGISTRATION IS REQUIRED FOR BOTH IN PERSON AND STREAMING PARTICIPANTS
